## Consolidated LLC

**BEFORE**

### MASS HIGHWAY ACCIDENT RECOVERY Route 128 Southbound, Needham, MA

Route 128, one of Massachusetts busiest highways was closed on Saturday July 12, 2008 due to a gasoline tanker rollover and explosion. The bituminous concrete roadway surface and steel beam guardrails sustained significant damage requiring immediate repair.

At no cost to the Commonwealth of Massachusetts, **Bartlett** mobilized and on the same day resurfaced 1150 S.Y. of roadway and replaced damaged steel beam guardrails.

**AFTER**

### SCOPE OF WORK

- **Resurfacing of Bituminous Concrete Roadway**

Cold Plane and Pave Approximately 200' L.F., Full Width of Affected Roadway per MHD Direction. Work to Include Temporary Line Striping, Permanent Line Striping and Replacement of Approximately 200' L.F. of Rumble Strip.

All Work Coordinated with Mass Highway. All Phases of Repairs Utilized Traffic Control to Meet MUTCD Requirements.

- **Type SS Steel Beam Guardrail**
